

CERTIFICATE

OF COMPLETION

is presented to

Maddili Kumari

for successfully completing the BFSI Experiential
Accelerated Learning Program for the year
2025–2026.

An Industry-Led Professional Certification by BFSI Consortium

This is to certify that **Maddili Kumari** has successfully completed the **Accelerated Program (AP)** conducted by the **BFSI Consortium**, an industry-led professional initiative designed to bridge the gap between undergraduate education and employability within the Banking, Financial Services & Insurance (BFSI) sector.

The Accelerated Program is a professional course model developed and delivered by the BFSI Consortium in collaboration with our strategic implementation partner. **This program is in collaboration with the government of Telangana, TGCHE- Telangana Council of Higher Education.** The certification is issued directly by the BFSI Consortium as the awarding authority for this professional course.

Program Overview

{Domain, Tech and Behavioural training}

Students are trained in core BFSI concepts, supported by an integrated technical curriculum that strengthens domain understanding and practical application.

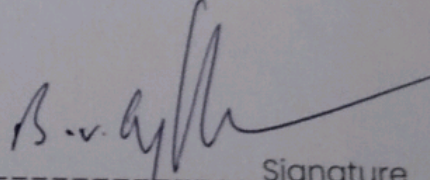

The program further develops professional capability through structured behavioural training in communication, organization skills, project management skills and rigorous interview preparedness.

The program also included extensive structured one-on-one and group mentorship, conducted in addition to the regular curriculum, focused on individual performance enhancement, guided feedback, and comprehensive career readiness.

The program was delivered through a hybrid learning model (online and in-person), comprising more than 360 hours of intensive training along with over 90 hours of structured one-on-one and group mentoring engagements, along with placement support.

Certification Validity

This certificate affirms successful completion of the professional Accelerated Program requirements as designed and administered by the BFSI Consortium.
